Dear Candidate

Welcome to Pendle Vale College. I am delighted that you are considering our College as a new career opportunity.

We are fortunate to have a modern, innovative, and fantastically well-equipped College; a £32million new build project in 2008, the facilities at Pendle Vale College are second to none. The building remains modern and innovative in design and is an exciting environment in which to work, however the College is more than bricks and mortar – our school is made up of over 1000 students and over 100 colleagues who all attend school each day to learn, grow and improve. Our facilities provide first rate teaching and learning opportunities that give our students and teachers a clear advantage and that results in consistently good outcomes.

Our college is made up of a team of highly committed, motivated, dedicated and professional colleagues both teaching and non-teaching, who each individually make a significant and positive difference to the lives of our students. As Headteacher, I am extremely proud of our college and the colleagues and students with who I share the vision to make this a special place for adults and young people to teach and learn in.

Colleagues at Pendle Vale benefit hugely from working in an environment that is supportive, challenging and rewarding. We pride ourselves on welcoming new staff with an excellent induction programme whether you are joining us as a newly qualified or experienced candidate.

Whilst recognising that the College exists for the benefit of the students, we aim to be a place where staff can also realise their ambitions and potential and further develop their careers. We aim to be at the cutting edge of change and engage in high profile projects and developments that enable our students, and staff, to achieve the most that they possibly can while working or studying here. We are outward facing and strive to learn from and assimilate the very best practice and research. We really want to hear from those colleagues who are exceptional in what they do and who truly believe that they can make a positive difference to our college.

We know that Pendle Vale College is and will continue to transform the education and life chances of our young people. By working together as a team, we aim to develop happy, confident and independent learners ready to take their place in the modern world.

We have a modern, flexible, and responsive curriculum, which actively encourages our students to be responsible for their own learning and ensures that they are being stretched and challenged and appropriately prepared for their future learning. We know our students very well indeed and strongly and confidently believe that we are meeting their current and future needs.

As Headteacher, I believe that a team of people work best when they are working together towards a common goal. Pendle Vale College is an enjoyable and rewarding environment in which to work. There are significant career opportunities for colleagues and promotion is actively supported and encouraged. Our team ranges from early career teachers to experienced candidates who have reaped the benefits of working at our college.

We are a modern and contemporary College that wants to attract colleagues who have ideas, who are inspirational, innovative and who are truly dedicated to the development of our young people. If you have what it takes to take a forward-thinking College to the next level, then we look forward to reading your application and hopefully from there calling you to interview.

Our story is one of continued and improving success. We pride ourselves on being a strong, vibrant, and confident community. Don't just take our word for it, we warmly welcome visitors and prospective applicants to arrange a visit, meet with significant colleagues and see for yourself.

Ofsted

Ofsted last visited us in November 2021 and confirmed that Pendle Vale remains a Good school. A copy of this Ofsted Report can be found on our college website.

Community and Surrounding Areas

Pendle Vale College has a good location, situated just five minutes from the M65. Easily accessible from larger towns and cities of Manchester, Preston, Bradford, and Huddersfield, it is also in close proximity to the smaller rural communities for Pendle, Colne and Skipton. Nelson is under an hour away from the Lake District and North Yorkshire Moors.

If you are interested in moving the College forward within a focussed team who are highly committed to serving its students, staff, and community, then I welcome your application. Please submit the Teaching Staff application form, available on our website or from Hays, along with a letter of application of not more than two A4 sides, detailing how your experiences and impact to date qualify you for the post and how you see the role developing.

I look forward to receiving your application.

Mr Oliver Handley
Headteacher

JOINING PENDLE VALE COLLEGE

We recognise that people are our most valuable resource and we support them in being effective in their role by providing the following benefits:

- **Professional Development** – Pendle Vale is committed to developing staff within their roles and creating continued fantastic opportunities for further career progression through our weekly CPD sessions as well as access to NPQs and other professional qualifications.
- **Pension Scheme** – Every employee here at Pendle Vale has access to the Teachers' Pension Scheme or the Local Government Pension Scheme.
- **Well-being Benefits** – Through our wellbeing provider, staff can access a number of generous well-being benefits including Physiotherapy, 24-hour GP Helpline, Cancer Support, Stress counselling support and Weight management
- **Cycle to Work Scheme** – Pendle Vale has joined this scheme to provide staff with the opportunity to take advantage of the salary sacrifice tax-relief arrangement. For more information, eligibility criteria and details on how to apply, please contact the central HR Team
- **Annual Flu Vaccinations** - Annual Flu Vaccinations offered for free to all members of staff.
- **Gym Facilities** - Staff here are able to access the Gym facilities before and after school free of charge.

CURRICULUM LEADER OF MATHEMATICS

MPS/UPS + TLR1.2 (£12,520)

Full time – September 2026

An opportunity has arisen for a creative, ambitious, and inspirational teacher to undertake the responsibility of Curriculum Leader of Mathematics. You will be an integral part of leading in further developments in Mathematics by taking on the role of Curriculum Leader which includes the curriculum development and line management of staff.

We are an ambitious school and can offer:

- Excellent resources
- Excellent support and professional development opportunities
- Friendly staff
- Excellent IT facilities.

We are seeking:

- A highly professional colleague aligned to our values of ambition, determination and respect
- A passionate, dedicated, outstanding teacher.
- Creative teaching skills and a highly professional approach
- High expectations of students and the determination to raise student achievement
- Evidence of delivering outstanding results at KS3 and KS4
- Somebody with the ability to lead the work of others.
- Someone with experience of GCSE Further Maths and GCSE Statistics

Pendle Vale College has a good location, situated just five minutes from the M65. It is a quiet and efficient commute from the larger towns and cities of Manchester, Preston, Bradford and Huddersfield, it is also in close proximity to the smaller rural communities for Pendle, Colne and Skipton. Nelson is under an hour away from the Lake District and North Yorkshire Moors.

For an informal discussion on this post, please contact Mr M Hardwick, Curriculum Leader for Mathematics on 01282 682240 or email m.hardwick@pendlevale.lancs.sch.uk

Interviews – TBC

Pendle Vale College is committed to the health, safety, and welfare of its students.

All posts are subject to an Enhanced DBS disclosure. Please note that in line with Keeping Children Safe in Education 2022 an online search will be carried out as part of our due diligence on shortlisted candidates.

Department Information

This post of Curriculum Leader for Mathematics is an exciting opportunity for an enthusiastic and forward-thinking Mathematics teacher. The successful candidate will be joining a strong curriculum area with an innovative team of staff fully committed to trialling new ideas and raising standards.

The Department is led by the Curriculum Leader, supported by two Assistant Curriculum Leaders. Our Department currently consists of nine members of staff who teach across the full age and ability range. In addition to our teaching staff the team works closely with our Learning Mentors, one being specifically assigned to improving progress in Mathematics.

The current team is made up of the following staff:

Vacancy	Curriculum Leader for Mathematics
Emma Renshaw	Assistant Curriculum Leader of Mathematics
Samina Essak	Assistant Curriculum Leader of Mathematics
Daphne Hargreaves	Teacher of Mathematics
Sahdia Zaman	Teacher of Mathematics
Joe Wilson	Teacher of Mathematics
Sajid Mahomed	Teacher of Mathematics
Atif Arshad	Teacher of Mathematics
Saleem Ali	Teacher of Mathematics

The Department works very much as a team, regularly sharing ideas and good practice much of which is at the cutting edge of the College's forward-thinking approach to learning. Levels of enthusiasm and expectations are high. Priorities include ensuring we are delivering the new curriculum to the highest standard, extending schemes of work to further develop independent learning and thinking skills, problem solving and functional mathematics; and assessing student progress. Raising achievement and tracking student progress is what we are constantly striving to improve.

Teachers are equipped with Apple MacBook's and iPads; all rooms have Apple TV's and interactive whiteboards or smart TV's. Thirty laptop computers and iPads are available for use in lessons through a booking system. Extensive practical, kinaesthetic and real-life Mathematics resources are also available for use in lessons.

Students are taught in ability groups with KS2 data used to establish sets early in Year 7. KS3 schemes of work are in line with the new curriculum and are constantly being developed to include more real-life mathematics and problem-solving activities. Resources include a variety of texts and teacher books, numeracy worksheets and a variety of interactive whiteboard resources.
